Keep the Peace! An Interactive Theatre Anti-bullying Program for K-12

Performance requirements for schools

Fulfilling these requirements as much as possible will make a big difference to the effectiveness of playback theatre. We appreciate your cooperation.

- performing space approximately 15' deep and 25' wide*
- 6 chairs onstage
- minimum duration of show 50 minute
- maximum audience: two classes or 50 students
- age span not more than two grade levels
- students in chairs or on floor (not at desks)
- chairs set up in slightly curving rows of 12 to 14 chairs with narrow center aisle
- access to room 20 minutes before showtime for set-up
- private space for warming up 30 minutes before showtime (can be same room as for performance if available)
- no interruption during performance
- for consecutive performances: at least 15 minutes between shows

*Spaces that can work include a large classroom like a music room; part of a gym or cafeteria; an ordinary classroom with desks removed or stacked in the back; the stage (not audience area) of an auditorium.

Thank you!
